

Title: Mushroom cultivation: techniques and income generation

Type Start Date 24/03/2022

Title End Date 25/03/2022

Objective:

A workshop was conducted by department of Botany, in association with IQAC and NSS, SSM. The title of the workshop was **Mushroom cultivation: techniques and income generation**. The objective of the program was the following

- To give an idea on importance of mushroom cultivation and its nutritional values.
- Detailed demonstration of the process of mushroom cultivation

List of Potential Speakers/participants with their affiliations:

- Dr. Nilanjan Chakraborty, Assistant professor, Department of Botany, Scottish church college
- Anujit Das, Earth Star Mushroom

Number of participants: 80

Title: Plant Life in Antarctica

Type Start Date 22/08/2021

Title End Date

Objective:

A one-day online webinar was arranged on the topic “**Plant Life in Antarctica**”. This webinar was organized by **Department of Botany and IQAC in association with Young Academy of India.**

The speaker along with his team at Central University of Punjab have discovered several new species which includes a species of moss from Antarctica (featured in [BBC News](#))- the first plant species discovery in 40 years of Indian Antarctic Mission, and five new species of marine macroalgae from different parts of India. The topic of the talk was “**Antarctica as a crucible for Astrobiology: Story of *Bryum bhartiense*, India's discovery in Antarctica**” which highlighted his discovery.

List of Potential Speakers/participants with their affiliations:

Dr. Felix Bast, Associate Professor and Head, Department of Botany, Central University of Punjab

Number of participants: 280

Title Capital Market Awareness/Money Management

Type	Seminar (Online)	Start Date	March 17, 2022
Organizer	Department of Economics and Commerce in association with IQAC and Value Ideas Investment Services Pvt. Ltd., an affiliate of Bombay Stock Exchange Ltd.		

Objective:

The aim and objective of this event is to acquired the knowledge as follows:

- ✓ To make the students aware of the virtues of money management
- ✓ To provide the students of Economics and Commerce come in touch with a capital market expert of repute
- ✓ To offer a platform to the faculty members to discuss about their financial matters.

Name of the Speakers/participants with their affiliations: Darshana Rampuria, Securities Market Expert

Participants are mainly the students of Economics and Commerce departments of our college. Some faculty members also participated in the program.

Number of participants: 60

Title (example): REMARKABLE FEATURES OF NONLINEAR ORDINARY DIFFERENTIAL EQUATIONS

Type	Seminar	Start Date	13/04/2022
Title	REMARKABLE FEATURES OF NONLINEAR ORDINARY DIFFERENTIAL EQUATIONS	End Date	13/04/2022

Objective:(example presented below)

The aim and objective of this event is to acquired the knowledge as follows:

- ✓ To explore the features and importance of nonlinear differential equations.
- ✓ In real life problems, we generally encounter with non-linear differential equations. However, it is very difficult to solve these equations. The seminar is organized to throw the light on various problems where we encounter with non-linear differential equations.
- ✓ To increase the interaction of students with the experts in Mathematics.
- ✓ To learn the methods to solve non-linear differential equation problems.
- ✓ To explore some recent research on non-linear differential equations.
- ✓ Geometrical demonstration of the behaviour of non-linear ODEs.

Event : Department of Political Science Classroom Group Discussion

Title: Classroom Group Discussion

Type: Classroom Group Discussion Start Date 22/03/2022

End Date 22/03/2022

Time: 12:30 PM to 1:30 PM

Venue: Room N2 (SSM)

Topic of Group Discussion: Democratic Polity: Bi-Party System or Multi Party System

Objective:

1. To encourage students to study democracy and its functioning in a polity.
2. To promote student's thinking ability.
3. To enhance student's presentation skills.
4. To share students' findings with other classmates.
5. To increase student's debating skills.
6. To assess student's grasp of topic.

List of Speakers/participants with their affiliations:

All the Honours students of Second Semester, Department of Political Science participated in the event. The topic of group discussion "Democratic Polity: Bi-Party System or Multi Party System" was given on spot. Topic of the discussion was related to the syllabus of BA II Semester PLSA Course.

Image of the event:

Coordinator Name: Mr. Rabindra Mani Pradhan

Contact Number: +91 9910129967

Outcome:

1. Increased understanding of democracy and its practical application in polity.
2. Enhanced motivation for learning among students.
3. Increased student's participation in class.
4. Student's communication skills and confidence for public speaking improved.
5. Enhanced student's listening, reasoning skills and tolerance for others viewpoints.
