

LESSON PLAN FOR
INTRODUCTORY MICROECONOMICS
(ECON- G- CC-1-1-Th/ECO-GE-1-1-Th/ECO-G-GE-Th)
CREDIT : 5Th+1Tu=6

class	content	Approach	Activity	Outcome
1	Introduction of economics and microeconomics. Basic problems of the economy	Explains and board work.	Listens and writes	Understand
2	Importance of microeconomics and its limitation.	Explains and board work.	Listens and writes	Understand
3	Describe of economic system and price system, and mixed economy, public goods and private goods.	Explains and board work.	Listens and writes	Understand
4	Concept and existence of Externalities. Concept of economic growth and economic development.	Explains and board work.	Listens and writes	Understand
5	Defination of Demand and supply .Determinants of demand and supply.	Explains and board work.	Listens and writes	Understand
6	Demand function, law of demand. Analysis law of demand, law of supply.	Explains and board work.	Listens and writes	Understand
7	Exceptions law of demand . Changes in demand and changes in quantity demand.	Explains and board work.	Listens and writes	Understand
8	Individual and market demand curve derived.	Explains and board work.	Listens and writes	Understand
9	Concepts Elasticity of demand. Defination price elasticity of demand, cross price elasticity of demand, and income elasticity of demand.	Explains and board work.	Listens and writes	Understand
10	Discuss the different type price elasticity of demand.	Explains and board work.	Listens and writes	Understand
11	Factors determining elasticity of demand.	Explains and board work.	Listens and writes	Understand
12	Discuss about TR, AR, MR and relation between AR, MR and Ep	Explains and board work.	Listens and writes	Understand
13	Defination of utility, measurement of utility.	Explains and board work.	Listens and writes	Understand
14	Concept of total utility and marginal utility, relation between TU and MU.	Explains and board work.	Listens and writes	Understand
15	Law of diminishing marginal utility (Assumption, Explanation, Causes, Exception) .Relation between law of demand and law of diminishing marginal utility.	Explains and board work.	Listens and writes	Understand
16	Equilibrium of the consumer with the help of Marshallian	Explains and board work.	Listens and writes	Understand

	utility theory.			
17	Defects of the Marshallian utility theory.	Explains and board work.	Listens and writes	Understand
18	Defination of indifference curve, indifference map .Properties of indifference curve.	Explains and board work.	Listens and writes	Understand
19	Exceptional of indifference curve. Defination of budget line.Shift of budget line.	Explains and board work.	Listens and writes	Understand
20	Consumer's equilibrium in the indifference curve approach.	Explains and board work.	Listens and writes	Understand
21	Income consumption curve and income effects.	Explains and board work.	Listens and writes	Understand
22	Price consumption curve and price effects.	Explains and board work.	Listens and writes	Understand
23	Engel curve with picture.	Explains and board work.	Listens and writes	Understand
24	Substitution effects (Hicks and Slutsky)	Explains and board work.	Listens and writes	Understand
25	Relation between price effect,income effect and substitution effects.	Explains and board work.	Listens and writes	Understand
26	Concept of production,factors of production.production function.	Explains and board work.	Listens and writes	Understand
27	Concept of total product,average product,marginal product.	Explains and board work.	Listens and writes	Understand
28	Relation between APand MP with picture.Law of diminishing returns.Law of variable proportion.	Explains and board work.	Listens and writes	Understand
29	Relation between total product curve ,average product curve, and marginal product curve with pcture.	Explains and board work.	Listens and writes	Understand
30	Concept of isoquant, characteristics of isoquant.exception of isoquant.	Explains and board work.	Listens and writes	Understand
31	Describe three stages of production process.	Explains and board work.	Listens and writes	Understand
32	Describe area of economic region with picture.Concept of isocost line	Explains and board work.	Listens and writes	Understand
33	Output maximising factor combination	Explains and board work.	Listens and writes	Understand
34	Cost minimisation factor combination.	Explains and board work.	Listens and writes	Understand
35	Expansion path of the firm. Returns to scale.	Explains and board work.	Listens and writes	Understand
36	Cobb-douglas production function. Difference between law of variable proportion and law of returns to scale.	Explains and board work.	Listens and writes	Understand
37	Cost of production- concept of money cost, real cost, opportunity cost,marginal cost.	Explains and board work.	Listens and writes	Understand

38	Describe the shape of short run average cost curve.	Explains and board work.	Listens and writes	Understand
39	Relation between AC and MC in short run production.	Explains and board work.	Listens and writes	Understand
40	Describe the shape of TC,TFC,TVC,AC,AFC,AVC,MC,AC in short run cost of production.	Explains and board work.	Listens and writes	Understand
41	Describe the long run cost of production.shape of LRAC curve.	Explains and board work.	Listens and writes	Understand
42	Relation between SRAC curve and LRAC curve.	Explains and board work.	Listens and writes	Understand
43	Defination of market, function of market.classification of market.	Explains and board work.	Listens and writes	Understand
44	Concept and feature of perfect competitive market.	Explains and board work.	Listens and writes	Understand
45	Short run equilibrium under perfect competition.supply curve of a firm.	Explains and board work.	Listens and writes	Understand
46	Long run equilibrium under perfect competition.	Explains and board work.	Listens and writes	Understand
47	Concept and feature of monopolistic competition.	Explains and board work.	Listens and writes	Understand
48	Profit maximisation condition of a firm under monopoly in short run and long run.	Explains and board work.	Listens and writes	Understand
49	Basic idea of price discriminating monopolist.	Explains and board work.	Listens and writes	Understand
50	Concept of derived demand,MPP,MRP,Marginal productivity of labour, concept of rent and quasi rent.	Explains and board work.	Listens and writes	Understand

**LESSON PLAN FOR
INTRODUCTORY MACROECONOMICS
(ECON- G- CC-2-2-Th/ECO-GE-2-2-Th/ECO-G-GE-2-2-Th)
CREDIT : 5Th+1Tu=6**

Class	Content	Approach	Activity	Outcome
1	Introduction to macroeconomics	Explains and board work	Listens and writes	Understand
2	Concept of National Income	Explains and board work	Listens and writes	Understand
3	Issues of macroeconomics	Explains and board work	Listens and writes	Understand
4	Measurement of GDP, GNP, NDP, NNP,	Explains and board work	Listens and writes	Understand
5	Distinction between GDP and GNP, NDP and NNP.	Explains and board work	Listens and writes	Understand
6	NDP at market price and factor cost,	Explains and board work	Listens and writes	Understand
7	Concept of National Income and related ideas.	Explains and board work	Listens and writes	Understand
8	Measurement of National Income: income, product and expenditure method	Explains and board work	Listens and writes	Understand
9	Problems in the measurement of National Income	Explains and board work	Listens and writes	Understand
10	Circular flow of income	Explains and board work	Listens and writes	Understand
11	Value added method of measuring national income, real Vs nominal GDP	Explains and board work	Listens and writes	Understand
12	Real vs Nominal GDP	Explains and board work	Listens and writes	Understand
13	The simple Keynesian Model in a closed economy:	Explains and board work	Listens and writes	Understand
14	Keynesian consumption and saving function	Explains and board work	Listens and writes	Understand
15	MPC, MPS, APC, APS -Ideas	Explains and board work	Listens and writes	Understand
16	Mathematical problems on simple Keynesian model	Explains and board work	Listens and writes	Understand
17	The simple Keynesian model of income determination.	Explains and board work	Listens and writes	Understand
18	The concept of effective demand	Explains and board work	Listens and writes	Understand
19	The simple Keynesian multiplier - Graphical approach	Explains and board work	Listens and writes	Understand
20	The simple Keynesian multiplier -Mathematical approach	Explains and board work	Listens and writes	Understand
21	Saving Investment identity - Graphical approach	Explains and board work	Listens and writes	Understand

22	Saving Investment identity - Mathematical approach	Explains and board work	Listens and writes	Understand
23	The role of the government in simple Keynesian model	Explains and board work	Listens and writes	Understand
24	Paradox of thrift	Explains and board work	Listens and writes	Understand
25	Tax multiplier	Explains and board work	Listens and writes	Understand
26	Balanced Budget Multiplier	Explains and board work	Listens and writes	Understand
27	The classical system in Economics -Introduction	Explains and board work	Listens and writes	Understand
28	Basic ideas of classical system	Explains and board work	Listens and writes	Understand
29	Say's Law of quantity theory of money.	Explains and board work	Listens and writes	Understand
30	Classical theory of income and employment determination- Graphical approach	Explains and board work	Listens and writes	Understand
31	Classical theory of income and employment determination- Mathematical approach	Explains and board work	Listens and writes	Understand
32	Classical dichotomy	Explains and board work	Listens and writes	Understand
33	Keynes vs. Classics	Explains and board work	Listens and writes	Understand
34	Money supply and money demand:	Explains and board work	Listens and writes	Understand
35	Classical approach of demand for money	Explains and board work	Listens and writes	Understand
36	Keynesian approach of demand for money	Explains and board work	Listens and writes	Understand
37	Liquidity preference theory - graphical method	Explains and board work	Listens and writes	Understand
38	Measurement of supply of money.	Explains and board work	Listens and writes	Understand
39	High powered money and money multiplier edit creation by commercial bank	Explains and board work	Listens and writes	Understand
40	Commercial banks - Functions	Explains and board work	Listens and writes	Understand
41	Reserve Bank of India	Explains and board work	Listens and writes	Understand
42	Credit creation by commercial banks	Explains and board work	Listens and writes	Understand
43	Tools of monetary policy	Explains and board work	Listens and writes	Understand
44	Concept of demand for money	Explains and board work	Listens and writes	Understand
45	Demand for money in the classical system.	Explains and board work	Listens and writes	Understand
46	Demand for money in the Keynesian system,	Explains and board work	Listens and writes	Understand

LESSON PLAN FOR
ISSUES IN ECONOMIC DEVELOPMENT AND INDIA
(ECO-G-CC-3-3-TH-TU/ECO-GE-3-3-TH-TU)
CREDIT : 5(TH)+1(TU) =6
Under CBCS System.

CLASS	CONTENT	FACULTY APPROACH	STUDENT ACTIVITY	LEARNING OUTCOME
1.	Concept of economic growth and economic development.Difference between economic growth and economic development.	Explain with board work.	Listen and write	Understand
2.	Explain different indicator of Economic Development. Human development index (HDI),Gender related development index(GDI) Human poverty index (HPI)	Explain with board work.	Listen and write	Understand
3.	Discuss different components of economic development and obstacles of economic development.Discuss the vicious circle of poverty.	Explain with board work.	Listen and write	Understand
4.	Discuss about vicious circle of poverty.	Explain with board work.	Listen and write	Understand
5.	Relation between population growth and economicdevelopment.Theory of DemographicTransition.	Explain with board work.	Listen and write	Understand
6.	Malthusian Theory of population.Problems of overpopulation.	Explain with board work.	Listen and write	Understand
7.	Education and health sector in indian economy..	Explain with board work.	Listen and write	Understand
8.	Features of under developed economy .Causes of under developed economy.	Explain with board work.	Listen and write	Understand
9.	Meaning of developing economy. Discuss the features of indian economy as a developing economy.	Explain with board work.	Listen and write	Understand
10.	Trend in sectoral distribution of national income in indian economy.	Explain with board work.	Listen and write	Understand
11.	Trend in occupational structure in indian economy.	Explain with board work.	Listen and write	Understand
12.	Big push theory. Self sustaining economic growth and self limiting aspects of economic growth.	Explain with board work.	Listen and write	Understand
13.	Concept of poverty, poverty line. Measurement of poverty.Causes of poverty.	Explain with board work.	Listen and write	Understand

14.	Policies adopted by the govt. to eradicate poverty.Evaluation of the poverty eradication policy adopted by the govt. in india.	Explain with board work.	Listen and write	Understand
15.	Concept and measurement of inequality.Causes of inequality of income distribution.	Explain with board work.	Listen and write	Understand
16.	Policies adopted by the govt.to reduce the inequality of income distribution.	Explain with board work.	Listen and write	Understand
17.	Concept of Dual Economy and Dualism in the indian economy.	Explain with board work.	Listen and write	Understand
18.	Stages and importance of capital formation in an underdeveloped economy.	Explain with board work.	Listen and write	Understand
19.	Sources of capital formation. (internal and external)	Explain with board work.	Listen and write	Understand
20.	Disguised unemployment and economic development through capital formation.	Explain with board work.	Listen and write	Understand
21.	Economic development through capital formation with unlimited supply of . (Lewis Model) Obstacles of capital formation in under developed countries.	Explain with board work.	Listen and write	Understand
22.	Development strategies:- Concept of balanced growth strategy, arguement in favour of balanced growth and against ofbalanced growth strategy.	Explain with board work.	Listen and write	Understand
23.	Concept of unbalanced growth, arguement in favour and against of unbalanced growth strategy.	Explain with board work.	Listen and write	Understand
24.	An overview of international trading environment and problems of underdeveloped countries.	Explain with board work.	Listen and write	Understand
25.	Introduce of IMF.Objectives and role of IMF ineconomic development.	Explain with board work.	Listen and write	Understand
26.	Lending policy of IMF.	Explain with board work.	Listen and write	Understand
27.	Function of IMF with respect to Indian economy.	Explain with board work.	Listen and write	Understand
28.	Collapse of the Bretton wood system.	Explain with board work.	Listen and write	Understand
29.	Evaluation the working of IMF.	Explain with board work.	Listen and write	Understand
30.	Introduce of world bank and function of world bank in economic development.	Explain with board work.	Listen and write	Understand
31.	Lending policy of world bank.	Explain with board work.	Listen and write	Understand

32.	Function of world bank with respect to Indian economy	Explain with board work.	Listen and write	Understand
33.	Evaluation of the working of world bank.	Explain with board work.	Listen and write	Understand
34.	Comparison between IMF and World Bank.			
35.	Meaning of Globalization. Effects of Globalization on indian economy.	Explain with board work.	Listen and write	Understand
36.	Discuss about GATT and evaluation of GATT-1994.(Dunkle proposals)	Explain with board work.	Listen and write	Understand
37.	Introduce of WTO.Structure and objectives of WTO.	Explain with board work.	Listen and write	Understand
38.	Discuss about function of WTO.	Explain with board work.	Listen and write	Understand
39.	Evaluation of the working of WTO and failure of the seattle conference of WTO.	Explain with board work.	Listen and write	Understand
40.	Policies of the Indian economy under WTO Regime. Evaluation about economic growth of india under world trade orgation	Explain with board work.	Listen and write	Understand

**LESSON PLAN FOR
INDIAN ECONOMIC POLICIES
(ECON- G- CC-4-4-TH/ECO-GE-4-4-TH)
CREDIT : 5Th+1Tu=6**

CLASS	CONTENT	APPROACH	ACTIVITY	OUTCOME
1.	Macroeconomic policies	Explains	Listens and writes	understands
2	Concept of macroeconomics	Explains	Listens and writes	understands
3	Impact of macroeconomic policies	Explains	Listens and writes	understands
4	Trade policies in India	Explains	Listens and writes	understands
5	Recent trade policies in India	Explains	Listens and writes	understands
6	Investment policies in India	Explains	Listens and writes	understands
7	Investment policies in India - Recent changes	Explains	Listens and writes	understands
8	Financial policies in India	Explains	Listens and writes	understands
9	Financial policies in India- Recent changes	Explains	Listens and writes	understands
10	Monetary policies in India	Explains	Listens and writes	understands
11	Monetary policies in India - Recent changes	Explains	Listens and writes	understands
12	Labour regulation	Explains	Listens and writes	understands
13	Policies in agriculture	Explains	Listens and writes	understands
14	Performance of agricultural sector	Explains	Listens and writes	understands
15	Concept of agricultural policies and performances	Explains	Listens and writes	understands
16	Growth and productivity relating to agriculture	Explains	Listens and writes	understands
17	Agrarian structure and technology - Basic ideas	Explains	Listens and writes	understands
18	Green Revolution - Benefits	Explains	Listens and writes	understands
19	Green revolution - Critical views	Explains	Listens and writes	understands
20	Land reforms - Purposes	Explains	Listens and writes	understands
21	Land reforms - Impact	Explains	Listens and writes	understands
22	Land reforms - Assessment	Explains	Listens and writes	understands
23	Concept of foreign trade	Explains	Listens and writes	understands
24	Policies of Indian foreign trade	Explains	Listens and writes	understands
25	Performance of Indian foreign trade	Explains	Listens and writes	understands
26	Capital formation, trade	Explains	Listens and writes	understands
27	Pricing and procurement	Explains	Listens and writes	understands
28	Policies and performance in industry:	Explains	Listens and writes	understands

29	Concept of industrial policies and performances	Explains	Listens and writes	understands
30	Industrial stagnation	Explains	Listens and writes	understands
31	Performance of small scale industry in India	Explains	Listens and writes	understands
32	MSMEs - Performance analysis	Explains	Listens and writes	understands
33	Policies pertaining to MSMEs	Explains	Listens and writes	understands
34	Growth and productivity relating to industry	Explains	Listens and writes	understands
35	Diversification	Explains	Listens and writes	understands
36	Small scale industries	Explains	Listens and writes	understands
37	Public sector	Explains	Listens and writes	understands
38	Competition policy	Explains	Listens and writes	understands
39	Industrial disinvestment	Explains	Listens and writes	understands
40	Foreign investment	Explains	Listens and writes	understands
41	Policies of Indian foreign trade	Explains	Listens and writes	understands
42	Performance of Indian foreign trade	Explains	Listens and writes	understands
43	India's foreign trade	Explains	Listens and writes	understands
44	Post-liberalization foreign trade of India	Explains	Listens and writes	understands
45	New Economic reforms	Explains	Listens and writes	understands
46	Current balance of payment position of India	Explains	Listens and writes	understands
47	Import policies in India	Explains	Listens and writes	understands
48	Export policies in India	Explains	Listens and writes	understands
49	Trade policies - reforms	Explains	Listens and writes	understands
50	Trend and nature of import and export in India	Explains	Listens and writes	understands

**LESSON PLAN FOR
MONEY AND BANKING (DSE-A)
(ECON- G-DSE-5-1A/ 2A-TH-TU)
CREDIT : 5Th+1Tu=6**

CLASS	CONTENT	APPROCH	ACTIVITY	OUTCOME
1.	Concept of money	Explain and board work	Listen and write	Understand
2.	Functions of money	Explain and board work	Listen and write	Understand
3.	Measurement of money supply	Explain and board work	Listen and write	Understand
4.	Theories of money supply determination	Explain and board work	Listen and write	Understand
6.	M1,M2,M3,M4	Explain and board work	Listen and write	Understand
7.	Balance sheet and accounting of money supply	Explain and board work	Listen and write	Understand
8.	Balance sheet of RBI and accounting interpretation of high powered money	Explain and board work	Listen and write	Understand
9.	High powered money		Listen and write	Understand
10.	Money multiplier and balance sheet of commercial banks	Explain and board work	Listen and write	Understand
11.	Sterilization of central bank	Explain and board work	Listen and write	Understand
12.	Indian banking system	Explain and board work	Listen and write	Understand
13.	Changing role and structure of the Indian banking system	Explain and board work	Listen and write	Understand
14.	Indian banking sector reforms	Explain and board work	Listen and write	Understand
15.	Financial institutions and financial markets	Explain and board work	Listen and write	Understand
16.	Role of financial markets in economic development	Explain and board work	Listen and write	Understand
17.	Problem of asymmetric formation	Explain and board work	Listen and write	Understand
18.	Examples of financial institutions in economic development of India	Explain and board work	Listen and write	Understand
19.	Adverse selection and moral hazard	Explain and board work	Listen and write	Understand
20.	Financial crises.	Explain and board work	Listen and write	Understand
21.	Money and capital markets	Explain and board work	Listen and write	Understand
21.	Organisations, structure and reforms in India	Explain and board work	Listen and write	Understand

22.	Role of financial derivatives and other innovations	Explain and board work	Listen and write	Understand
23.	Interest rate and its concept	Explain and board work	Listen and write	Understand
24.	Determination of interest rates	Explain and board work	Listen and write	Understand
25.	Source of interest rate differentials	Explain and board work	Listen and write	Understand
26.	Theories of interest rates	Explain and board work	Listen and write	Understand
27.	Theories of term structure of interest rates	Explain and board work	Listen and write	Understand
28.	Interest rate in India	Explain and board work	Listen and write	Understand
29.	Banking system, concept	Explain	Listen	Understand
30.	Balance sheet	Explain and board work	Listen and write	Understand
31.	Portfolio management	Explain and board work	Listen and write	Understand
32.	Indian banking system, concept	Explain	Listen and write	Understand
33.	Changing role and structure of the Indian banking system	Explain	Listen and write	Understand
34.	Banking sector reforms	Explain	Listen	Understand
35.	Central banking and monetary policy; concept	Explain and board work	Listen and write	Understand
36.	Function and balance sheet	Explain	Listen and write	Understand
37.	Goals, targets,	Explain	Listen	Understand
38.	Indicators and instruments of monetary control	Explain and board work	Listen and write	Understand
39.	Monetary management in an open economy	Explain	Listen	Understand
40.	Current monetary policy of India	Explain	Listen	Understand

**LESSON PLAN FOR
ECONOMIC HISTORY OF INDIA (DSE-B)
(ECO- G-DSE-6-1B/ 2B-TH-TU)
CREDIT : 5Th+1Tu=6**

CLASS	CONTENT	APPROACH	ACTIVITY	OUTCOME
1.	Colonial India: Background	Explain	Listen and write	Understands
2.	Introduction	Explain	Listen and write	Understands
3.	Overview of the colonial economy	Explain	Listen and write	Understands
4.	Macro trends: Concept of macro trends	Explain	Listen and write	Understands
5.	National Income	Explain	Listen and write	Understands
6.	Population	Explain	Listen and write	Understands
7.	Occupational structure	Explain	Listen and write	Understands
8.	Agriculture	Explain	Listen and write	Understands
9.	Agrarian structure	Explain	Listen and write	Understands
10.	Land relations	Explain	Listen and write	Understands
11.	Land reforms	Explain	Listen and write	Understands
12.	Agricultural markets	Explain	Listen and write	Understands
13.	Agricultural institutions	Explain	Listen and write	Understands
14.	Credit	Explain	Listen and write	Understands
15.	Commerce	Explain	Listen and write	Understands
16.	Technology	Explain	Listen and write	Understands
17.	Trends	Explain	Listen and write	Understands
18.	Performances	Explain	Listen and write	Understands
19.	Productivity	Explain	Listen and write	Understands
20.	Famines	Explain	Listen and write	Understands
21.	Railways	Explain	Listen and write	Understands
22.	Industries	Explain	Listen and write	Understands
23.	Deindustrialization	Explain	Listen and write	Understands
24.	Entrepreneurial structure	Explain	Listen and write	Understands
25.	Industrial structure	Explain	Listen and write	Understands
26.	Industrialization interwar period	Explain	Listen and write	Understands
27.	Constraints to industrial breakthrough	Explain	Listen and write	Understands
28.	Labour relations	Explain	Listen and write	Understands
29.	Imperial priorities	Explain	Listen and write	Understands
30.	Indian economy in imperial context	Explain	Listen and write	Understands
31.	Indian states in imperial context	Explain	Listen and write	Understands
32.	Drain of wealth	Explain	Listen and write	Understands
33.	International trade	Explain	Listen and write	Understands
34.	Capital flows	Explain	Listen and write	Understands

35.	The colonial economy	Explain	Listen and write	Understands
36.	Changes in colonial economy	Explain	Listen and write	Understands
37.	Continuities in colonial economy	Explain	Listen and write	Understands
38.	Role of the government	Explain	Listen and write	Understands
39.	Policies of the government	Explain	Listen and write	Understands
40.	Fiscal policy	Explain	Listen and write	Understands

LESSON PLAN FOR
Microeconomics II & Indian Economy
GE 4.1 Chg
CREDIT:6

CLASS	CONTENT	APPROACH	ACTIVITY	OUTCOME
1.	Monopoly: concept, Sources of monopoly power	Explain	Listen	Understand
2.	Short-run and Long-run equilibrium of a monopoly firm	Explain,board work	Listen,writes	Understand
3.	Price discrimination; Social Cost of Monopoly	Explain	Listen	Understand
4.	Imperfect Competition Concept;Monopolistic Competition;Features and examples;	Explain	Listen	Understand
5.	Oligopoly: Non-Collusive Oligopoly	Explain	Listen	Understand
6.	Sweezy's Kinked demand Curve Model	Explain,board work	Listen,writes	Understand
7.	Collusive Oligopoly: Cartel (concept with example)	Explain,board work	Listen,writes	Understand
8.	Factor Price Determination;Introduction, concept	Explain	Listen	Understand
9.	Marginal Productivity Theory of Distribution	Explain	Listen	Understand
10.	Marginal Productivity Theory of Wage	Explain	Listen	Understand
11.	Demand Curve and Supply Curve of Labour	Explain,board work	Listen	Understand
12.	Wage Determination in an Imperfectly Competitive Labour Market	Explain	Listen,writes	Understand
13.	Case of Collective Bargaining	Explain	Listen	Understand
14.	Factors determining the power of trade unions to raise wages	Explain	Listen	Understand
15.	Theory of Rent: Ricardian Theory of Rent	Explain,board work	Listen,writes	Understand
16.	Modern Theory of Rent, Quasi-rent	Explain,board work	Listen,writes	Understand
17.	Theory of Profit: Gross Profit and Net Profit	Explain	Listen	Understand
18.	Accounting Profit and Normal Profit	Explain,board work	Listen,writes	Understand
19.	Different Theories of Determination of Profit	Explain	Listen	Understand
20.	Concept of Interest: Gross Interest and Net Interest	Explain	Listen	Understand
21.	Classic Theory of Interest Rate Determination	Explain	Listen	Understand
22.	Basic Issues in Economic	Explain	Listen	Understand

	Development Concepts and measures of development and underdevelopment			
23.	Concept of national income	Explain,board work	Listen,writes	Understand
24.	GDP,GNP,NDP,NNP,NI	Explain,board work	Listen,writes	Understand
25.	Basic Features of Indian Economy	Explain	Listen	Understand
26.	Sectoral distribution of National Income	Explain	Listen	Understand
27.	Occupational Structure	Explain	Listen	Understand
28.	Structural Change in Indian Economy	Explain	Listen	Understand
29.	issue of Service-led Growth	Explain	Listen	Understand
30.	Sectoral Trends and Issues	Explain	Listen	Understand
31.	Agricultural Sector	Explain	Listen	Understand
32.	Problem of low productivity	Explain	Listen	Understand
33.	Green Revolution and its impact	Explain	Listen	Understand
34.	Land Reforms	Explain	Listen	Understand
35.	Problems of rural credit and marketing	Explain	Listen	Understand
36.	Industry and Service Sector	Explain	Listen	Understand
37.	An overview of industrial growth during pre-reform and post-reform period	Explain	Listen	Understand
38.	Role of Public Sector: its performance and the issue of disinvestment	Explain	Listen	Understand
39.	Role of MSME sector, problems faced by the MSME Sector	Explain	Listen	Understand
40.	Role of the Service Sector: growth of banking and insurance sector during the post-reform period	Explain	Listen	Understand
41.	External Sector: Problem of unfavourable balance of payments and policy measures	Explain	Listen	Understand
42.	Social Issues in Indian Economy Problem of Poverty	Explain	Listen	Understand
43.	Poverty alleviation measures	Explain	Listen	Understand
44.	Problem of Unemployment	Explain	Listen	Understand
