This special lecture on the topic "Palynology and its applications" was arranged for the semester 2 student. The speaker was Dr. Sandip More, Assistant Professor, Department of Botany of Krishnath College. The talk was attended by 45 students of semester 2, 4 and 6. Apart from them 50 participants from other colleges belonging to different parts of India also showed their interest in this program. This lecture emphasized palynology and its application in different fields such as melissopalynology, forensic science and aeropalynology. This program received excellent feedback from the participants.
